Distinctive Vocabulary Coverage vs. Model Performance — Action Type Labels
Distinctive vocab coverage per label
(ordered by F1, low → high)
Arrest
Surrender
Armed Assault
Bombing
Seizure
Infra. Attack
Abduction
top: "arrested" (PMI 1.7), 141 distinct words
top: "surrendered" (PMI 3.6), 154 distinct words
top: "police" (PMI 0.0), 140 distinct words
top: "blast" (PMI 2.8), 194 distinct words
top: "police" (PMI 0.3), 295 distinct words
top: "set" (PMI 3.0), 222 distinct words
top: "abducted" (PMI 4.2), 88 distinct words
